

Center City Neighborhood Association Danville, Illinois

Do not place in mailboxes.

March 23, 2009

Dear Residents of Center City,

Our first neighborhood association meeting of season 3 was held on March 5. There was a nice turn-out at this meeting including new members. The focus was on sharing the vision for this season. Center City will continue its neighborhood improvement efforts through clean up days and social events. It will also work on increasing the membership. The members of Center City encourage each resident, owner or renter, to participate with us. We truly miss those who have not been attending meetings and events and hope to see you back this season. Your participation is certainly a gift to all of us. If there is anything we can do to assist you, or represent you please let us know.

Another of the key topics last month was the neighborhood action plan. This plan is to become the basis of our improvement efforts. With it we can take hold of the future and structure methods to address issues at hand. On March 21st the first of 3 workshops was held. This first workshop pertained to identifying issues, strengths, and weaknesses in Center City. The second workshop is tentatively set for June. More details are to come.

If you are not on the email list you'll need to email me so I can add you. Simply send an email to info@centercitydanville.org. Newsletters and upcoming events are accessible on the Center City website at <http://www.centercitydanville.org>.

We'll be doing a clean up day with the PrideGrows trailer provided by the City. This day is set for April 18th. It'll begin at 8 AM and last until Noon at 1219 Oak St. Depending on the amount of volunteers, there may be 2 or 3 different things to do. As always we'll work throughout the entire Center City area.

Don't forget to speak with Bill Wallpe of E & B Gifts to get your own Center City member sign.

Sincerely,

Adam Aull, Center City President

Center City Agenda

Location: 1236 Walnut St, E&B Gifts

Time: April 2, 2009 @ 7:00 PM
